

### **Pre-Authorized Remittance**

Pre-Authorized Remittance enables people to give through an automatic monthly withdrawal from their bank account or credit card. This may be a time that your regular supporters may think about moving to PAR for their regular giving. The United Church of Canada continues to administer the PAR program for Presbyterian congregations. All the information needed for congregations to sign up for PAR and the forms people need to give to their congregation can be found [here](#). **Support for PAR and PAR withdrawals will continue, as all work continues at the PCC office, during this time.** If you wish to sign up for PAR, please download the form, attach a voided cheque and mail to Margaret Dothart, envelope secretary. If you wish to send your regular donation by cheque, please mail it to Margaret Douthart. Her address is available in the directory or from your elder.
