So far this year we have collected \$1189.26 for Presbyterian Sharing, we are now 1/6 of the way to meet this year's goal of \$6000. If every family is willing to donate \$5 a month we will not only meet our goal but go beyond it.

The next Men's Breakfast will be on Saturday April 25 at Dominion Golf club at 8:30 am. There is a sign-up sheet on the fellowship board if you would like to attend.

Our Mothers' Day Tea will be on Saturday May 9 at 1:00 to 3:00. Tickets are \$15 each. See Joanne for tickets.

Please join us next week when as part of our mission moment we will be hearing from John Garswood about his volunteering at the Aviation Museum.

Next Sunday we will be celebrating Presbyterian Sharing, so come ready to learn more about how our givings are able to impact the world around us.

## MISSION MOMENT: Sunday, April 19

In 2022, the Rev. Konnie Vissers launched Rooted: Centre for Theology and Eco Justice, creating four urban children's gardens in Guelph and Hamilton through local congregations. By 2023, summer camp and Sunday School programs integrated eco-theology and gardening, reaching over 90 campers. Last summer, a children's garden at Kortright Presbyterian Church hosted workshops and a five-week class on sustainable gardening, food justice, and creation care. With support from Presbyterians Sharing, upcoming plans include a greenhouse garden and a fruit tree guild. By combining faith, practical skills, and positive coping strategies, this unique mission teaches children to connect with God, care for creation, and support local food security. These programs offer hope, cultivate love for nature, and empower young people to engage in meaningful climate action while taking home free, organic produce to share with their communities.
