The Presbyterian Church in Canada operated residential schools until 1969 and in 1994, we began our journey of apologizing for our role in supporting the doctrine of discovery and the treatment of indigenous peoples. To remind of us our journey to reconciliation, we ask the congregation to wear an orange shirt on Sunday, Sep 27th.

MISSION MOMENT

Children living at Samuel House as well as some disadvantaged local children in Micske, Romania, play, study and enjoy nutritious meals together in a loving family-like Christian environment. They celebrate their birthdays and Christian holidays and in the summer attend summer camp. Without state support, Samuel House depends on domestic and international donations and this is where your gifts to Presbyterians Sharing come in. Csilla Bertalan, Director of Samuel House, writes, "Thank you for holding the children in our care in your prayers. And thank you for sharing your resources with us so that they may live their lives in fullness."
